A Message from the Principal, Alan Watt

Election Day Fundraiser
A special thank you to all parents, students, staff and community members that assisted on the day. All funds raised will go towards the environmental playground fund that is the major project for 2014.

Great Aussie Bush Camp
Students from Years 4, 5 and 6 attended a camp meeting yesterday. Each child was given a medical consent note, gear list and a list of camp rules. The buses are booked for departure on Monday December 1st at 9:00am sharp. We will be returning on Wednesday 3rd December at around 2:40pm.

If your child would like to attend this camp there are a few seats left. The cost of the excursion is $260 per child. Please come to the office to obtain a permission note and make your payment as soon as possible. All payments must be finalised by Wednesday 19th November. Sorry we cannot accept payment after this date. Student assistance is available. Please contact the ladies in the office for the relevant forms. Once completed, it will be reviewed and you will be advised regarding the amount of support available.

Scooter, Bike & Skateboard Safety
Children who travel to school using these modes of transport need to wear a helmet. This is required by legislation. Please ensure that your child has the correct equipment for their own safety.

Learning Support Team Meeting
The school has a team that work together to ensure all students receive the best possible education and access to services. If your child is experiencing any difficulties at school please contact the office and make an appointment. The team meets every Tuesday at 1:00pm and is headed by Mr Harrison.

Digital Citizenship
We’re the first generation of parents responsible for equipping our children with digital citizenship skills – how to use technology safely and responsibly, and how to evaluate, manage and use the information and tools they find online. Here are some tips to get you started:

Sun Safety
This spring has seen soaring temperatures. A new information pack with the latest advice on sun safety is available for schools and parents. Find out more: http://www.schools.nsw.edu.au/studentsupport/studenthealth/sun-safety/index.php
