Student Toilet Working Bee
Just a reminder that next Monday 8th December from 9:00am we will be painting the toilet block to improve the internal look. We have a few people who have offered their assistance, however we have plenty of jobs for helping hands. Please let the office know if you are available.

Sporting Success
Last Saturday Bailey Clark competed in the Hotshot Invitational Tennis Competition at District Park. Bailey was a semi-finalist in the competition. Well done Bailey. The staff, students and community congratulate you on your achievement.

School Camp
The 76 students who attended the Great Aussie Bush Camp this week had a fantastic time. Their behavior was excellent and many challenged their fears in all the great activities they participated in. There were new friendships made and it was inspiring to watch young people supporting each other. We have lots of photos from the camp. We will be looking at how we can best share the experiences of our students with the wider community. Thank you to all the parents for their support with having the children at school on time, packing and supporting the children’s needs.

Volunteers Afternoon Tea
I would like to extend an invitation to all the wonderful parents, grandparents and community members who have given so generously of their time this year to a special Afternoon Tea on Friday 5th December. Starting at 2pm there will be a wonderful assortment of delicious food provided by the staff to say ‘thank you’. The students and staff really appreciate all the help and support you have given to our school this year. Hope to see you there!

Student Recognition Ceremony
I would like to remind all parents, carers and extended family members about our ceremony to be held on Tuesday 9th December commencing at 6pm sharp in the hall.

All classes will be participating in this ceremony. We look forward to seeing everyone come along to celebrate another fantastic year of achievement by all our students.

They will be supplied with their own individual keyboard for use during their lesson. Students will be stimulated, motivated and guided into an interactive and exciting program.

The term fee of $90.00 includes; lessons, quality music books, theory papers, concerts, certificates and prizes. The skills learnt will enhance the confidence and self-esteem of students. The program fosters discipline and commitment in the children while creating enjoyment for themselves and others.
